MEMORANDUM 2007-10

To: County Engineers

Cc: Division County Transportation Engineers

From:

D.E. (Ed) Phillips, Jr., P.E. State County Transportation Engineer

RE: FY 2008 Federal-Aid Advances

Any request for an advance of FY 2008 Federal-Aid is to be received in my office prior to June 15, 2007. Immediately following that date I will present all the requests to the Department's Administration at one time for deliberation and a decision. Therefore, if you anticipate a need for advanced FY 2008 Federal-Aid, please have the request in my office prior to June 15, 2007. Any requests received after that date will not be considered.

Please be aware that any advance of FY 2008 Federal-Aid results in the obligation of that amount from the State's portion of FY 2007 Federal-Aid, resulting in a reduction in the obligation authority for the remainder of the year for State projects.

If you should have any questions or comments concerning this matter, please feel free to contact me at (334) 242-6203.
